### What's it All About

Oklahoma Electronic Game Expo is a day of video-game revelry. Our 2008 Expo will mark the first gaming destination in Oklahoma- where gamers and industry insiders can come together to celebrate video-games. Attendees come to OEGE to experience the newest games, encounter game industry legends, compete in tournaments, buy games, and meet with friends.

This event is sponsored by the Computer Arts & Technology Society (CATS), which is a student organization at the Oklahoma City Community College.

### Parking and Event Location

This event will be located in the General Dining Area of Oklahoma City Community College's College Union.

For easy access please park in Parking Lot D, and enter through Entry 6.
